## **Operation Shield**

Dear resident,

In a joint initiative with Cheshire Police, the Parish Council would like to offer all Snelson households a property marking kit free of charge. Several kits have already been issued to residents and we now have a few remaining.

The kits are unique to each household and enable owners to mark valuables with an invisible paint. In the event of a theft the stolen property will be made identifiable by the paint. Stickers can be displayed at the property to deter criminals. The use of the kits in whole communities has shown these areas are less likely to be targeted by thieves than areas not covered. Therefore, we would strongly encourage all households to take up this free offer.

You can receive your free kit by visiting Over Peover Village on the date below. There will be a short presentation by PCSO David Bell at the start of the session followed by the issuing of kits.

For more information please visit [selectadna.co.uk](http://selectadna.co.uk) or contact the Parish Clerk.

### **Dates:**

**Monday 3<sup>rd</sup> June at 7pm – Over Peover Village Hall**

Shareen Worthington (Clerk to the Parish Council)
